

On Saturday – July 22/2023 – 15 of us drove down to Big Valley to hike Snake Creek. This included Sue, Rick, their granddaughter Brinn, Ron, Cindy, their grandson River, Brent, Maureen, Gary, Lauralee, Ben, Ono, Macegil, Kelly and Michele. We enjoyed watching Brinn scale the shale bank. Cindy taught us how to identify wild peppermint. Gary won the contest for rock skipping the furthest and Maureen received the prize for the first person to dive down. We stopped briefly for a “christening” as Rick was starting to overheat. After the hike we then headed back to the Pettinger’s cabin at Kerr’s Lake for a ride on the pontoon boat and a delicious potluck dinner. Thank you everyone for making this day extra special! Unfortunately everyone was too tuckered out to dance – maybe next time! ☐
