

NOVEMBER 30- EXTREME WEATHER WARNING! BITTER COLD!! DEEP SNOW!!!

These are not warnings that members of the WWC fear... as a matter of fact, we accepted them as a challenge!

At 10 am, James & Olwen, Judy & Dave, Dianne, Steffany, Rick & Sue, Dennis & canines Agnes & Charlie gathered for a snowshoe at Palmer's farm property just west of Brandon.

We blazed through the trail in a record 39.5 minutes, then reconvened for breakfast... newly opened Cora's had a lineup so we pivoted & went to McDonald's.

*Would we do this again?
In temps like this?
You bet!*

**After all, we're members of the
Westman
Wilderness
Club!!**
