

## Westman Wilderness Club 2024 Christmas Party

December 14 saw the event we all look forward to during the Christmas Season... the Annual Westman Wilderness Club Christmas Party!

And what an event it was... 27 members showed up at Rick & Sue's, each bringing their favourite dishes for our potluck dinner. We feasted & enjoyed great conversations over dinner.

For about ½ hour, our number dropped down to 26 when one of our group locked herself in the bathroom; we won't mention names but the next time we have guests from Binscarth, we'll be sure to leave instructions in the biffy.

When all were in attendance again, the executive presented an idea for a revised logo, which was approved by a show of hands.

The tacky gift exchange was loads of fun with the logo branded oar and maple syrup being the most fought-over gifts.

After a quick warm-up, 4 Olympic Worthy Squatters: Michelle, Jane, Olwen & Betty Anne competed in the Candy Cane Retrieval Contest, with Olwen taking 1<sup>st</sup> Place.

We generally end up with a few things that don't belong to us. If we want them for ourselves, we don't generally tell people, but this year we ended up with this carrying bag & a table saver. Regrettably, the oar & the maple syrup went home with their owners. If either of these are yours, please let us know.

Thanks to all who attended, and Merry Christmas to you all!!

Rick & Sue
